Letter of reference – Francois Snijmann Foodservice Consulting

In February 2022, Diocesan College (Bishops) again engaged Mr. Francois Snijmann to manage a catering service tender from start to finish for our school. Mr. Snijmann assisted us successfully with the previous catering tender and we were pleased to be able to make use of his services again.

As before, he was able to prepare all the tender documentation and did so very efficiently and effectively. His evaluation of the tenders was detailed and professional and the school panel were happy with his recommendations which allowed us to reach the correct decision. Our new Catering Contract was duly awarded and commenced in January 2023.

Mr Snijmann was extremely professional throughout the entire tender process, his industry knowledge is exceptional, and he was always available with prompt assistance and guidance. We can confidently recommend him as an independent consultant.
